

# Google account for Student

## Quick Guide: Activating Your Student Google Account

**1. Accessing Your Account**

**Use Your Official Email Format**

username@student.iium.edu.my  
(same as your M365 username)

**Default Password Format**

Uia\_IC/Passport Number  
(e.g., Uia\_890102201234)

**Login Troubleshooting**  
Enter your Matric Number if the system prompts for an "Employee ID."

**2. Activation & Benefits**

**Sign In and Secure**

Log in at Google, then immediately create a unique, strong password.

**10GB Shared Storage**  
Your account includes 10GB for Gmail, Google Drive, and Google Photos.

هت

Dear IIUM Students,

The Information Technology Division (ITD) would like to inform you that you can now start activating your Google Workspace for Education (GWFE) account to support your academic journey. With your GWFE account, you will have access to essential services like Gmail, Google Meet, and more.

Please refer to the infographic below for detailed steps on how to activate your account and start using these features immediately. For any assistance or technical issues, feel free to contact the ITD Servicedesk at ext. 6666 or email [servicedesk@iium.edu.my](mailto:servicedesk@iium.edu.my).

Thank you and enjoy the benefits of your GWFE account!
