

What should I do if my student status is 'DISMISSED'?

If your status is listed as '**DISMISSED**', please consult with your **Kulliyah, Academic Advisor**, or the **Deputy Dean for Student Affairs (DDSA)** of your Kulliyah.

This is because the **readmission process falls under the jurisdiction of the Kulliyah**.

□ Once your status has been successfully changed to '**ACTIVE**', access to IIUM systems such as **i-Ma'luum** and others will be **restored automatically**.

For further clarification, kindly reach out directly to your respective Kulliyah.
