## Installation of Anti-Virus

### How to Get Started: Installation of Anti-Virus

1. Download Sophos Intercept X Advanced.  
<https://drive.google.com/file/d/1ByB96cJpSTC7zmpmO8rxO10McNIVKmmj/view?usp=sharing> (Windows Installer) or  
<https://drive.google.com/drive/folders/1ailZSGs95LqgJ4m6Ce02SJxhwYpMusYK?usp=sharing> (Macintosh).
2. Follow the installation guide for your device (Windows/Mac).
3. Regularly update the antivirus software to ensure optimal protection.

# Is antivirus software provided for personal devices?

**Q: Is antivirus software provided for personal devices?**

A: Yes! Free antivirus software is available for staff-owned devices. Contact ITD for installation.
