

Microsoft Office for free

Registered students are eligible to download and install Microsoft Office 365 for free, for up to 5 devices. To download, first you must activate your IIUM live e-mail. Follow these steps:

1. Go to <http://portal.office.com>
2. Key in your username (your full IIUM live e-mail address)
3. Key in your password – for first time login, the password is “iium” for local students and “iium” for international students, i.e. iium followed by your IC number or iium followed by your passport number, without any space.

Students who activate their IIUM Live e-mail account will get Microsoft Office for free. Students can download Office 365 and install it on their computers.
