Ticket Table

Unit/Workgroup [1]

- Shows the selected **Unit available under ServiceDesk Manager's KCDIO**. The **Unit** is also known as **Workgroup**
- By default, **--All Unit --** is selected which listed out all of the tickets under **different Units**
- The tickets are listed based on the **Unit Name**. Selecting different **Unit Name** will list out tickets of that particular **Unit**

Ticket Details [2]

- Shows the **Ticket ID, Service Name, Service Details, Description, Date of Creation, and Ticket Type**
- Click on the cell listed under the **TICKET DETAILS** column **to update or view more info** on the ticket
- A ticket will have its **ticket's ID e.g IIUM-0322-Y782**. The number on the middle of the dash **-0322-** represents the **month and year** the ticket was created at. **-MMYY-**
- Some tickets will only include only **Service Name [2. a]** and some will include both **Service Name - Service Details [2 b]**. The **Service Details** will only appear once an agent has been assigned to the ticket. As such, a **Due Date / Deadline [4]** will also appear. For more info on how to assign a ticket to an agent, please visit the **Ticket View Page**
- A snippet of the **ticket's description** is shown under the **Services. Click on the description** to view more.
- The **green-colored badge** shows the **ticket's type**. Details on the left of it show **the date** of the **ticket's creation**
- The available **types and its code** are as follow
 - Complaint - **COM**
 - Incident - **INC**
 - Inquiry - **INQ**
 - Issue - **ISU**
 - Request - **REQ**
 - Standard Change - **STC**
 - Suggestion - **SUG**

- Shows the **Name, Staff/Student Number, and KCDIO** of the requester
- For more details on the requester, click on the **Ticket ID [2. a]**

Deadline [4]

- Shows the **Due Date** of the ticket
- An unassigned ticket does not have a **Due Date**. It will appear once the ticket has been assigned to an agent **[4. a]**
- The **black-colored Due Date** shows a ticket that has **not yet reached** the due
- The **red-colored Due Date** shows a ticket that has **exceeded** the due
- The **yellow-colored Due Date** shows a ticket that **has reached** the due

Status [5]

- Shows the **Ticket Status and Ticket Priority**
- The **top-colored dot [5. a]** represents **Ticket Status** whereas the **bottom-colored dot [5. b]** represents **Ticket Priority**
- **Hover** the colored-dot will show the description of each status and priority

- If the ticket's **Due Date** has been reached or exceeded, the current status displayed will be replaced with **Due and Overdue** respectively. The real status can be viewed by clicking on the **ticket details [2]**
- For **Ticket Status**,
 - the **green-colored dot** shows the status **New**
 - the **blue-colored dot** shows the status **Assign, Reassign, Work In Progress, Job Done By Support, Ready to Test, and Needs Info**
 - the **red-colored dot** shows the status either **Canceled or Overdue**
 - the **yellow-colored dot** shows the status **Due**
 - the **gray-colored dot** shows the status **Closed**
