Other important guidelines:

1. It is recommended to put "Assalamualaikum" in writing or using Arabic Font instead of using an image of "Assalamualaikum" in arabic.
2. Refrain using "Allahyarhamah" for deceased female and use either "Almarhumah" or just "Allahyarham" for both deceased male and female.
3. It is recommended to just limit only 1 image per announcement.
4. As the announcement after 12.00 pm will be announced the next day, kindly plan your announcement accordingly.
