4. **Phone Number Update Form:** A modal form titled "Change Number MySMS" will appear.
- a) Enter your new phone number and SMS pin, then click "Submit".

The screenshot shows the i-ma'luum My Services page. A modal form titled "Change Number MySMS" is open in the center. The form has a blue header with the title and a close button. Below the title, there are two input fields: "Phone Number" with a placeholder "eg: 0133100013, 0121239999" and "SMS Pin" with a placeholder "Alpha Numeric Only (at least 5 chars)". At the bottom of the form, there are links for "MySMS FAQ | MySMS Manual" and a "Submit" button. The background shows a grid of service tiles including Finance, Mail, COP, Software, Counseling, Intern, Ads, MY SMS, Library, Office 365, i-Grad, and i-monitor.

- b) If you are a new student, you will need to register phone number. After clicking the "MY SMS" module, you will be redirected to the Self Mobile Registration form as below.

The screenshot shows the "Self Mobile Registration for Students" form. The title is underlined. Below the title, it says "Step 1/3 : Verify Credentials". There are four input fields with labels: "Matric No", "IC/Passport No", "Mobile No to register/update", and "Registered Personal Email". Below the "Mobile No to register/update" field, there is a red note: "(eg: 750213145125 with no '-' or spaces)". Below the "Registered Personal Email" field, there is a red note: "Email registered during enrolment". At the bottom, there are two buttons: "Next" and "Reset".

5. **Complete Registration:** Follow the instructions and provide any required information.
6. **All set:** Your phone number has been successfully updated.
