4. **Phone Number Update Form:** A modal form titled "Change Number MySMS" will appear.
- a) Enter your new phone number and SMS pin, then click "Submit".

The screenshot shows the i-ma'luum portal interface. A modal form titled "Change Number MySMS" is displayed in the center. The form has a blue header with the title and a close button. Below the header, there are two input fields: "Phone Number" with a placeholder example "eg: 0133100013, 0121239999" and "SMS Pin" with a placeholder "Alpha Numeric Only (at least 5 chars)". At the bottom of the form, there are links for "MySMS FAQ | MySMS Manual" and a "Submit" button. The background shows the portal's main menu on the left and a grid of service tiles including Finance, Mail, COP, Software, Counseling, Library, Office 365, i-Grad, i-monitor, and MY SMS.

- b) If you are a new student, you will need to register phone number. After clicking the "MY SMS" module, you will be redirected to the Self Mobile Registration form as below.

The screenshot shows the "Self Mobile Registration for Students" form. The title is underlined. Below it, the progress indicator "Step 1/3 : Verify Credentials" is shown. The form contains several input fields with labels: "Matric No", "IC/Passport No", "Mobile No to register/update", and "Registered Personal Email". Each input field has a red placeholder text example: "(eg: 750213145125 with no '-' or spaces)" for the first three fields, and "Email registered during enrolment" for the last field. At the bottom, there are two buttons: "Next" and "Reset".

5. **Complete Registration:** Follow the instructions and provide any required information.
6. **All set:** Your phone number has been successfully updated.
